Enrollment open for Class of 2019

• New Delhi • Mumbai • Bengaluru

The most novel 16th Uniqueness of EDPM

In 2018, IEDPM
Created a World
Record by
62% growth
in the enrolment.

International Institute of Projects and Program Management (i2P2M), a not for profit company incorporated under Section 8 of the Companies Act, 2013 is a premier institution dedicated to providing world-class education in Project, Program and Portfolio (P3) Management.

i2P2M began its journey in 2011 with the Vision to provide the best possible project management executive education globally to executives and senior managers across all industries.

In last 8 years, i2P2M has realized its Vision with astounding success. The 16 Uniqueness of I/EDPM's part time diploma program is at the core of this accomplishment. This was possible due to the continued encouragement and support from the eminent members of the Academic Industry Council (AIC) who are from academia, industry and government. i2P2M is also thankful to industry leaders for sharing their valuable experiences.

i2P2M has collaborated for its I/EDPM Program with the George Washington University, School of Business, Washington DC, USA which is the foremost university in project management discipline in USA.

The Academic Industry Council (AIC) of i2P2M has representatives from the best academic institutions of India and abroad, industry stalwarts as well as from government.

Some participants of Class of 2016 in a group photo in the Main Hall of the George Washington University, School of Business, USA

"The Fifteen uniqueness of EDPM Programme has lifted the bar of excellence globally to an unparalleled level in field of executive education. My hats off to Adesh Jain for his pioneering efforts"

- DC Patel, Indian Oil

Some participants of Class of 2017 in a group photo at GWU in the Faculty Hall of the George Washington University, School of Business, USA

"Was a mind boggling experience in getting exposure to the best possible inputs from GWSB faculty, NASA visit, Government Accountability Office, The World Bank and from Department of Energy. This opportunity comes once in a life time. 4 Modules in India made us well prepared to absorb all the inputs given here in USA."

- Dr. Abhijeet Tikka, ONGC
