Mumbai : 12 to 14 May 2025, Hotel Ramada Plaza Palm Grove Mumbai

TPM Program - Some Feedback from the participants

Superb faculty with exceptional teaching skills. Memorable and lifetime experience. Priceless course contents with great value addition.

- Vinod G Nair, VSSC, ISRO

Superb program, superb faculty, 100% satisfied. The programme was arranged nicely. There is lot of contents in TPM which is priceless. It must be kept mandatory for any engineer to first go through this course.

- P R Parate, IOC

Excerpts from NITI Aayog Task Force Report on Project & Program Management

"The curriculum to address following knowledge areas for project management and should consider the project from concept to commissioning encompassing all life cycle phases i.e. Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver/closeout and Knowledge Leverage".

Totality of Project Management is in line with NITI Aayog's above recommendations

Certificate In Project Management (CIPM) is ISO/IEC 17024:2012 accredited. CIPM exam is administered by International Institute of Projects & Program Management (i2P2M).

i2P2M is only certification body in India to have ISO/IEC17024:2012 accreditation for CIPM.

"What makes Certificate In Project Management (CIPM) program world class is its comprehensive syllabus covering 8 project life cycles phases, 36 knowledge areas and 117 concepts with an extremely robust certification process. I myself have gone through the CIPM and in my opinion, it should be a pre-requisite for all PM professionals globally."

- Prof. Dr. B. Nag, IIM Calcutta (2015)

"Eight project life cycle phases cover the totality of the PM profession and it is well structured methodology."

- Dr. Vladimir Voropajev,
President, Russia project Mgmt.
Association (2007)

"CIPM will be a major step forward for the profession and for the enterprises to create a common understanding in managing change."

- Dr. Hiroshi Tanaka, President,
Project Management Association,
Japan and PM Advocate of JGC
Corpn. (2007)

About Organiser

i2P2M - International Institute of Projects and Program Management, a non-profit company, was incorporated in 2008 as a Section 8 company. The company's vision is to equip project leaders, managers and professionals across central / state government, public & private sector companies and research institutions in nurturing project mindset to better manage the ever increasing complexities. Its aim is to enhance their Knowledge, build Competencies and demonstrate Outcomes through comprehensive learning that can be applied at the workplace, provide exposure to best practices, relevant case studies, real time computer based simulations of complex project and leadership scenarios and sharing of experience / success stories by industry stalwarts from India and abroad.

i2P2M has two major streams – Project Management Certifications and building competencies through various Executive Diploma programs.

Totality of Project Management (TPM) Syllabus

- is in line with NITI Aayog's recommendations for project management curriculum

Totality of Project Management (TPM) covers 8 Project Life Cycle (PLC) Phases, 37 Knowledge Areas and 127 Concepts.

'Project Life Cycle phases of TPM Syllabus shown above is in line with NITI Aayog's recommendations for a PM curriculum.

Training Effectiveness

The Totality of Project Management (TPM) training starts with an initial assessment of 16 questions through Project Management Knowledge Quotient (PMKQ). After the TPM training we find, there is an astounding improvement by a factor of 2.8 times. **Great performance.**

Totality of Project Management (TPM) is in line with NITI Aayog's recommendations for project management curriculum

NITI Aayog's recommendations published in their Task Force Report on Project and Program Management released in June 2019. This task force under Chair of Sh. Amitabh Kant, CEO, NITI Aayog included 7 Secretaries to Government of India as well as industry experts like CMD of NTPC, ONGC and L&T.

- The curriculum of project management was finalised by the Task Force members considering all the syllabus of the global certification bodies including i2P2M.

- i2P2M administers the Certificate In Project Management (CIPM) exam, an ISO/IEC 17024:2012 accredited. The syllabus of CIPM exam is in aligned with the NITI Aayog's recommended project management curriculum. **There is no other PM institution including PMI, which is in compliance with the salient recommendations of NITI Aayog as can be seen from the excerpts mentioned above.**
- The Certificate In Project Management (CIPM) administered by i2P2M is the only ISO/IEC17024:2012 accredited PM credential from Quality Council of India. i2P2M being a certification body demonstrates adherence to internationally recognised practices and builds trust amongst stakeholders.
- CIPM exam is the most robust exam amongst other PM certification bodies. Exam has negative marking for wrong answers unlike any other PM certification bodies. Further, exam paper has 4 sections and candidates need to pass each section independently as well as the entire paper. **i2P2M is the only one globally having such a rigour.**
- **CIPM fee is only 22%** of some of the knowledge based PM certifications like PMP from PMI.

Certificate In Project Management (CIPM)

Certification is aligned to the TPM Syllabus

Certificate In Project Management (CIPM) is ISO/IEC 17024:2012 accredited. It is administered by International Institute of Projects & Program Management (i2P2M).

Certificate In Project Management (CIPM) is administered by International Institute of Projects & Program Management (i2P2M), **which is the only Indian Company with ISO/IEC 17024:2012 accreditation in Project Management for its Certificate In Project Management from**

(International Accreditation
as per ISO/IEC 17024:2012)

NABCB - National Accreditation Board for Certification Bodies under Quality Council of India (QCI). The nodal ministry of QCI is Ministry of Commerce and Industry, Government of India.

ISO/IEC 17024:2012 is an international standard developed by the International Organization for Standardization (ISO) that sets criteria for the certification of personnel. ISO/IEC 17024:2012 is a globally recognized framework for the certification of individuals to ensure their knowledge, skills, and competencies meet the required standards.

ISO/IEC 17024:2012 provides a framework for ensuring consistency, credibility, and quality in certification programs. By complying with this standard, **certification bodies** can demonstrate their adherence to internationally recognized practices and build trust among all stakeholders.

CIPM exam methodology is most robust amongst the other global PM certification bodies that award a knowledge based PM certificate. CIPM is the only certification at a global level which has negative marking. i2P2M's mission is to make learning more meaningful which can be applied in practice. CIPM exam is based on the syllabus of the Totality of Project Management (TPM) which is in line with NITI Aayog's recommendations for project management curriculum.

i2P2M is the only certification body in India to give individuals the Certificate In Project Management (CIPM) credential.

**A great recognition
for CIPM**

CIPM holders will also be eligible to get certification from International Association of Project Managers (IAPM), Liechtenstein, Europe

CIPM certification is recognised by International Association of Project Managers (IAPM). After acquiring CIPM credential, one is eligible to get Certified Senior Project Manager (CSPM) from IAPM, a reputed global organisation. CIPM holders can acquire CSPM credential from IAPM, Europe by paying a small fee.

CIPM credential has global reach - Made in India Initiative

CIPM Exam is administered by i2P2M.

NITI Aayog has recognised i2P2M as one of the four Global Project Management Certification Bodies.

i2P2M's Project Management credential – Certificate In Project Management (CIPM) for Individuals is widely used across India covering public sector companies, private sector companies and central and state governments. CIPM holders are in 25 countries.

19500+ persons across 650+ organisations have CIPM credential

International Organisations

Central Government

Indian States

Some major institutions with 150+ CIPM credential holders

Some other companies with CIPM credential holders

The overall course provided an insight to handle projects effectively.

- Venugopal, Bharat Electronics Ltd.

New learning and very well structured program

- Ravi Kumar TVVS, BEML

Certificate In Project Management (CIPM), an ISO/IEC 17024:2012 accredited and administered by International Institute of Projects and Program Management (i2P2M) is the most robust certification examination globally. Some of the major uniqueness are highlighted.

- The only one with negative marking for wrong answers. (discourage those who guess)
- 4 Sections to pass independently covering 8 project life cycle phases besides scoring minimum 60% marks in the overall paper of 4 sections. (all other certification bodies do not have this rigour to pass the exam)
