Build competencies and make your company competitive in the world of change

About Organisers

i2P2M - International Institute of Projects and Program Management, a non-profit company was incorporated in 2008 as a Section 8 company. i2P2M has three major streams. Stream 1 is Building Competencies in the world of change. Stream 2 is spearheading the AI driven Project Management for enhanced efficiency and speedy informed decision making. Stream 3 is pioneering the project management certification based on **ISO/IEC 17024:2012 accreditation**.

i2P2M's vision is to equip project leaders, managers and professionals across central / state government, public & private sector companies, and research institutions to manage the complexity of tomorrow. Its aim is to build their Knowledge, Competency and Leadership through comprehensive learning with its application at the workplace, exposure to best practices, relevant case studies, real time computer-based simulation of complex project and leadership scenarios, AI driven project management and sharing of experience and success stories with industry stalwarts from India and abroad.

i2P2M strategic direction is guided by a distinguished Academic Industry Council from academia, industry, and government.

Plus representatives from the Ministries of Steel, Power, Road Transport & Highways and Defence (DRDO). *Designations as on 6th May 2026

Standing Conference of Public Enterprises (SCOPE), an apex body of Public Sector Enterprises (PSEs) was formed in 1973, aiming to promote competitiveness and excellence amongst its members by enhancing their efficiencies and operational capacities with the help of conducive policies and strategies.

SCOPE with its recent novel initiatives, has developed into an Impactful, Innovative and Inspiring body expanding its horizon to four pillars – Policy Advocacy, Programs & Workshops, Capacity Building and Skill Development & Brand Building.

Internationally, SCOPE has been representing employers' organization on international forums such as the International Labour Organization (ILO); United Nations (UN); Organization for Economic Co-operation and Development (OECD) and International Organization of Employers (IOE).

Moving forward, SCOPE will continue to undertake activities for the capacity enhancement and skill building of PSEs while taking steady steps towards building the brand of its members. SCOPE is steadfast in its commitment to unravel innovative opportunities fortifying the role of PSEs on the global map.

**Sixth National Workshop on
Totality of Project Management (TPM)
with 50+ participants held from
October 6 to 8, 2025, New Delhi organised by
i2P2M in association with SCOPE**

Totality of Project Management (TPM) Syllabus

TPM training program leading to ISO/IEC 17024:2012 accredited Certificate In Project Management (CIPM) is the only PM program globally that is in line with NITI Aayog's recommended robust PM curriculum

Totality of Project Management (TPM) covers 8 Project Life Cycle (PLC) Phases, 37 Knowledge Areas and 127 Concepts.

Artificial Intelligence (AI) will act as a catalyst throughout the project life cycle

Totality of Project Management (TPM) syllabus being most robust at a global level builds the solid foundation enabling professionals to manage complexities and uncertainties inherent in the projects. The 3-day workshop on TPM organised in association with SCOPE is a major initiative in nurturing project mindset through building of competencies.

NITI Aayog recognises i2P2M as a Global Project Management Certification Body

Few other feedbacks

"Superb program, superb faculty, 100% satisfied. Was mind blowing. The programme was arranged nicely. There is lot of contents which is priceless. It must be kept mandatory for any engineer to first go through this course and thereafter he can be selected in Project Department".

- P R Parate, GM (PJ), IOC (2020)

"Really lucky to have enrolled in this course. **The Totality of Project Management (TPM) is absolutely a gem.** It mixes all basic and the profound and neatly connects them with simple and solid fundamentals. Top of the shelf course".

- Anupam Mukherjee, CGM, NTPC (2020)

What makes Certificate In Project Management (CIPM) program world class is its comprehensive syllabus covering 8 project life cycles phases, 36 knowledge areas and 117 concepts with an extremely robust certification process. I myself have gone through the CIPM and in my opinion, **it should be a pre-requisite for all PM professionals globally.**

- Dr. B. Nag, Professor, IIM Calcutta (2015)

Even though I have studied Project Management as a subject in UG & PG, this kind of an in-depth insight I have never received. It took only two days to go into such a depth shows the **knowledge & passion of the faculties.**

- Shreejith T. V, LPSC, ISRO (2025)

i2P2M MOU with CMDF, Philippines Government

Historic MoU was signed on 7 July 2023, between **Construction Manpower Development Foundation (CMDF), Philippines**, a national government agency created pursuant to Presidential Decree No. 1748, Philippines and **International Institute of Projects and Program Management (i2P2M)**, a not-for-profit company under section 8, India. CMDF has replaced PMP of PMI by Totality of Project Management leading to the **Certificate In Project Management (CIPM)**. an ISO/IEC 17024:2012 accredited the only one in India.

CIPM - Make In India initiative with Global Reach

i2P2M is only certification body in India to have ISO/IEC17024:2012 accreditation for CIPM

CIPM certification is based in passing in 4 sections independently covering 8 project life cycle phases & scoring overall 60%.

Certificate In Project Management (CIPM) is based on the most robust project management syllabus covering 8 project life cycle phases, 37 knowledge areas and 127 PM concepts.

ISO/IEC 17024:2012 provides a framework for ensuring consistency, credibility, and quality in certification programs. By complying with this standard, **certification bodies** can demonstrate their adherence to internationally recognized practices and build trust among all stakeholders.

Certificate In Project Management (CIPM) is ISO/IEC 17024:2012 accredited. It is administered by International Institute of Projects & Program Management (i2P2M).

**(International Accreditation
as per ISO/IEC 17024:2012)**

NABCB - National Accreditation Board for Certification Bodies under Quality Council of India (QCI) which is the autonomous body set up by the Ministry of Commerce and Industry, Government of India.

Certificate In Project Management (CIPM) is administered by International Institute of Projects & Program Management (i2P2M), **which is the only Indian Company with ISO/IEC 17024:2012 accreditation in Project Management** for its Certificate In Project Management (CIPM) from NABCB under QCI.

CIPM exam methodology is most robust amongst all the other global PM certification bodies. **CIPM is the only certification at a global level which has negative marking.** A candidate has to pass in 4 Sections independently as well as secure overall passing marks.

A great recognition for CIPM credential holders due to robustness and rigorous CIPM examination process.

CIPM holders will be eligible to get certification from International Association of Project Managers (IAPM), Europe. **CIPM certification is recognised by International Association of Project Managers (IAPM).** After acquiring CIPM credential, one is eligible to get Certified Senior Project Manager (CSPM) from IAPM, a reputed global organisation.

With CIPM credential, one can acquire the prestigious Certified Senior Project Manager (CSPM) (IAPM) certificate at almost no cost thus resulting in savings of INR 1.8 lacs in case you go for it without CIPM credential.

CIPM credential has global reach - Made in India Initiative

CIPM Exam is administered by i2P2M.
