

CONFIDENTIALITY POLICY

i2P2M understands the importance of and is committed to Confidentiality of information in carrying out its certification activity.

Confidentiality of information and data is of utmost importance to i2P2M for the efficacy and trustworthiness of the system.

It shall be ensured that confidentiality of information and data collected, obtained based on certification process or from sources other than the applicant, candidate or certified person is not disclosed, in an unauthorized manner, without concerned person's written consent, except when required under law.

When required to be disclosed under law to release an information related to an applicant, candidate or certified person, he/she shall be notified as to what information will be disclosed, unless the law bars it.
